#### **INTRODUCTION**

This Agreement entered into on August 16, 2022 by and between the Board of Education of the White Pigeon Community School District, White Pigeon, Michigan, hereinafter called the "Board," and the White Pigeon Education Association/Southwestern Michigan Education Association (SMEA) hereinafter called the "Association". All references to the White Pigeon School District hereinafter shall be written "District" or "Board."

#### TERMS OF AGREEMENT

This Agreement shall be effective upon ratification and shall continue in effect until August 15, 2025.

If any provision or application of this Agreement shall be found contrary to law, such provision or application shall be invalid, except to its lawful extent. All other provisions or applications shall continue in force.

This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with terms contained in any individual teacher contracts heretofore in effect. All individual teacher contracts shall be made expressly subject to the terms of this Agreement.

# ARTICLE 1 RECOGNITION

- A. Pursuant to Act 336, Public Acts of 1947, as amended, the Board recognizes the Association as the exclusive bargaining agent for the bargaining unit defined as follows: all certified and non-certified teaching personnel, including personnel on tenure and probation, guidance counselors, social workers, athletic directors (if on teacher's contract), and media specialists, whether or not assigned to a public school building, but excluding supervisors, clerical employees, substitutes not regularly scheduled to teach, and all other employees. Hereinafter said members of the bargaining unit shall be designated "teachers."
- B. The Board agrees not to negotiate with any individual teachers or groups of teachers, or teachers' organization other than the Association for the duration of this Agreement.
- C. In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
  - 1. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
  - 2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

3. The Association shall have, after consultation with the Board, complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages, including claims paid and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

### ARTICLE II TEACHERS' RIGHTS

- A. Pursuant to Act 336 of the Public Acts of 1947, as amended, the Board hereby agrees that teachers shall have the right of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection.
- Neither the Board nor the Association will, directly or indirectly, discourage, deprive or prevent teachers from exercising those rights granted under Act 336, Public Acts of 1947, as amended, other Michigan laws, or the Constitutions of Michigan and the United States. Neither the Board nor the Association will discriminate against any teacher with respect to hours, wages, terms, or conditions of employment by reason of the teacher's Association membership or collective negotiating, grieving proceedings, and complaints allowable under the Agreement.
  - B. The Board specifically recognizes the right of its employees appropriately to involve the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement. The Board and the Association agree to be bound by any lawful order or award thereof.
  - C. All teachers may use the internet in accordance with the district's internet use policy. Teachers may also use school building facilities at all reasonable hours for meetings, with prior scheduling by the Building Principal. In no event shall such use interfere with school programs or be used for personal business. Any additional costs incurred due to the use of the facilities as stated herein shall be borne by the Association. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the Association either on or off school premises. Established media of communication shall be allowed in the teachers' lounges for use by the Association.

### ARTICLE III SALARY SCHEDULE

- A. The salary schedule for teachers is presented in Appendix A, incorporated herein. This schedule is based upon a normal weekly teaching load, as defined herein.
- B. Teachers who teach more than the normal teaching load, as defined herein, or who perform any of the extra-duty assignments suggested in Appendix B, incorporated herein, shall be

- compensated according to Appendix B. Upon written notice by either party and exclusively for the purpose of adding extra-duty assignments, Appendix B may be opened for negotiations.
- C. Teachers' extra-duty contracts shall be written separately from their regular salary contracts. Vacant extra-duty positions shall be posted on a designated bulletin board in each district building and via G-Mail, along with a copy of such posting to the Association.
- Extra-duty positions as above described shall be posted at least ten (10) days prior to being filled. Association members may apply for such positions by submitting a written application to the personnel office. Teachers' paychecks for extra-duty assignments specifically listed in Appendix B shall be computed on a tax- precalculation basis.
- D. Teachers who substitute for another teacher during their planning time shall be compensated. Each affected teacher shall be compensated at a rate of thirty (30) dollars per planning period. Teachers must receive administrative approval before asking another teacher to sub for them.
- E. If a teacher or teachers substitute for five (5) or more consecutive days as an administrator; on the fifth day the teacher or teachers shall receive a stipend of fifty (50) dollars per day, retroactive to the first day of substitution for said administrator. This stipend is in addition to the teacher's or teachers' regular salary. No teacher placed in an administrative assignment on a temporary basis shall evaluate or discipline another teacher. Temporary shall be defined as sixty (60) days or less.
- F. Teachers that work additional hours beyond the negotiated calendar year or volunteer for curriculum committees may also receive compensation in the form of "Comp Time" (excluding schedule B duties).
- G. Teachers will give forty-eight (48) hours notice for the use of accrued "Comp Time" except at holiday and vacation periods when two weeks' notice is necessary. No more than three (3) teachers per building may use "Comp Time" before or after the referenced holiday within the Master Agreement. All accrued "Comp Time" must be used prior to Memorial Day. There will be no carryovers of "Comp Time" from one year to the next.
- H. The Board has the right to credit new teachers to the district with past teaching experience.

# ARTICLE IV TEACHING HOURS AND CLASS LOAD

A. The total teacher work day will encompass seven (7) hours and ten (10) minutes. Teachers will arrive at school ten (10) minutes before classes start and to stay five (5) minutes following the end of classes.

If a proposed change in school starting time is of a non-emergency nature, the Board will consult with and seek the input of the WPEA Executive Board prior to taking action.

If the Board determines that a proposed non-emergency change must be made following the input of the WPEA Executive Board, the change will not be implemented sooner than seven (7) days following the Board's action, provided that the teachers starting time will be no earlier than 7:40 a.m. and no later than 8:25 a.m.

B. Each Secondary Level teacher (Middle and High School) shall have a daily duty free conference period, which is approximately as long as his/her longest teaching period. The Elementary teachers are to be relieved of recess duty.

The normal weekly teaching load in the elementary school will be equivalent to twenty-five (25) teaching periods and five (5) unassigned preparation periods to include recess, but not noon hour. This preparation time is contingent on continuation of the elementary Art, Music, and Physical Education programs.

No departure from these norms, except in case of emergency, shall be authorized without prior consultation with the Association. In the event of any disagreement between the representative of the Board and the Association as to the need and desirability of such deviation, the matter may be processed through the professional grievance negotiation procedure hereinafter set forth.

- C. Teachers who will be affected by a change in grade assignments in the elementary school grades or by changes in subject assignments in the secondary school grades will be notified and consulted by their Principals as soon as practicable and generally prior to August 1st.
- D. Scheduled staff meetings may be held once a month and all staff are required to attend. Emergency type faculty meetings can be called as the Principal sees necessary.

# ARTICLE V TEACHING CONDITIONS

A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible and every effort will be made not to exceed the following maximums:

The maximum class size per teacher in the High School and the Junior High School shall be as follows:

Physical Education	40 pupils
Music 35 pupils	
Health 30 pupils	
Computer/Keyboarding	30 pupils
Business	30 pupils

Mathematics	30 pupils
General Education	30 pupils
Social Studies	30 pupils

English 30 pupils

Art 25 pupils

Homemaking 24 pupils Laboratory classes 24 pupils

Special Education Mainstreaming: The Board hereby agrees that a disproportionate number of "mainstreamed" pupils in a given classroom may cause added responsibility for the teacher(s). To promote the equitable distribution of responsibility for "mainstreamed" pupils among teachers, when more than one classroom placement may be available to accommodate the pupil's schedule, the District shall attempt to place the pupil(s) who have been certified through IEPC (or current term) as EI, EMI, LD, or POHI in the classroom which is least impacted by the pupil, considering the severity of the individual handicap and the overall size of the classes available. In the event that it becomes necessary to place a disproportionate number of such students in a classroom, the building principal will explain the reasons to the teacher(s).

- B. When classes exceed the above listed maximums, the following procedure will be followed:
  - 1. Except as the WPEA Executive Board may otherwise agree, if the initial class enrollment in any Young 5's, Kindergarten, or Grades 1-2 exceeds the listed maximums, the building principal will explore the possibility of assigning such students to other sections whose enrollments are below the stated limits for the purpose of balancing classes within the maximum class size range set forth in Article 5. A.
  - 2. If at any time during the academic year a teacher feels the class size is too large, or contains an over balance of special students, he/she shall bring the problem to the WPEA. The WPEA shall be responsible for providing the building principal with its recommendations for the resolution at such time.
  - 3. The principal shall respond to the WPEA within five (5) days of the meeting.
  - 4. If the WPEA is still not satisfied, it may, within five (5) days of the response, take its position to the Classroom Adjustment Committee which shall meet within five (5) days of receiving the WPEA's written request.

The Classroom Adjustment Committee will consist of the President and Vice President of the Association, the teacher involved, one other principal from that grade level (if possible), and the Superintendent or his/her designee.

- 5. The committee will consult with the teacher, investigate and study the situation in an attempt to make adjustments to that teacher's satisfaction. The committee's decision, however, will not be subject to the grievance procedure beyond Level Two (2).
- C. The parties recognize that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving

- the selection and use of such educational tools and the Board undertakes promptly to implement all joint decisions thereon made by its representative and the Association. The Board agrees to keep the schools reasonably and properly equipped and maintained.
- D. For each school, the Board shall provide restroom, lavatory, and adequate and accessible parking facilities all for the exclusive use of the teachers. For each school, the Board shall provide a faculty lounge, minimum of one room, appropriately furnished and with direct local phone service. Said lounges shall be supplied with bulletin boards for use by the Association. Eating shall be permitted in the faculty lounges.
- The Board shall be responsible for the maintenance of the Board-owned equipment in the teachers' lounges.
- E. All teachers shall be entitled to a duty-free lunch period of not less than thirty (30) minutes.
- F. In the event the District establishes the position(s) of Department Chair(s), said position(s) will be filled as follows:
  - 1. A Department Chairperson shall be selected from candidates within and by members of their respective departments(s), subject to approval by the Superintendent.
  - 2. Department Chairpersons shall be compensated in accordance with Appendix B.
  - 3. In the event the District determines that the departmental structure needs to be changed, the District shall consult with the Association prior to the implementation of any such change.
- G. In the event parent-teacher conferences are scheduled for evenings, teachers shall be released for the period from the end of the student day to the beginning of the conference schedule. Teachers shall be released after sufficient time has been allowed for students to leave the building. All teachers are required to be in attendance at parent-teacher conferences and open house. Teachers who have children attending White Pigeon Community Schools may leave their buildings for one hour, providing they make arrangements with their building principal and provide time for all parents who wish to confer with them.

### ARTICLE VI VACANCIES AND PROMOTIONS

- A. Except for temporary or emergency hiring situations, whenever a vacancy in any teaching position or extra duty assignments (as listed in Appendix B) occurs in the District, the Board shall post a notice of such vacancy on the bulletin boards in the teachers' lounges and via email.
  - 1. All school buildings in the District shall be posted.

- 2. Duration of posting (#1 above) shall be five (5) school days for the current school year vacancies during the five (5) days prior to and throughout the current school year. Summer vacancies shall be posted ten (10) days.
- B. Any teacher may apply for such vacancy.
- C. All teachers shall be given written notice of their tentative schedule for the forthcoming year no later than July 1 of each instructional year. In event that changes in such schedule are proposed, all teachers affected shall be notified promptly and consulted if possible. Resignation by a teacher after August 1 shall constitute an emergency, but a vacant teaching position known prior to August 1 shall not be deemed an emergency and shall be posted in accordance with the provisions of the Master Agreement.

- A. <u>Illness or Disability</u> Sick leave may be used for the following reasons:
  - 1. Illness in the immediate family, herein defined as present spouse, natural children, and dependent children, and parents.

  - 4. Personal illness or disability.
- B. Any teacher who is absent from duty for reasons of personal illness or disability for a period of five (5) consecutive days or more shall, if requested, supply the Board with a statement from the attending physician confirming the illness or disability during the period of absence.
- C. Teachers shall be credited eleven (11) days of sick leave per year and may accumulate a maximum of one hundred ten (110) days. This shall be prorated for teachers who begin after the start of the school year.
- If an employee is unable to complete a school year and has used more of the sick leave days attributable to that year than she/he would have accrued at the rate of 11 per year, the employee shall have the value of such excess days used deducted from her/his last paycheck.
  - 1. 11 Sick leave days will be given to teachers above the cap of 110 sick days each year. Leave days will be taken from those added days given at the beginning of the school year as needed by the teacher throughout the school year.

Ī	Date	Affected Bargaining Unit Member

(Forms are to be submitted to the Building Principal)

- 1. Teachers who are absent because of an injury or disease compensable under the Michigan Workers' Compensation Law, shall receive from the Board the difference between the allowance under the Michigan Workers' Compensation Law and their regular salary for the accumulated sick leave.
- 2. Any teacher whose personal illness or disability extended beyond the period of compensation under Article VIII shall be granted a leave of absence up to one (1) year without pay, experience credit for increments, or other contractual benefits; except as covered in the Family and Medical Leave Act of 1993 concerning fringe benefits. Said leave shall be renewable at the Board's discretion. Teachers terminating such leaves and notifying their Principals with written notice of termination of said leaves at least ten (10) days prior to their anticipated returns, shall be assigned to the same positions, if available, or to substantially equivalent positions. Master Sick Bank
- 3. The Sick Bank may accumulate up to two hundred (200) days of sick leave. Any teacher, upon majority decision of the Committee, may draw sick leave from the bank up to thirty (30) days of leave in a school year.

When the accumulation of the bank has been reduced to a number of days equal to the size of the teaching staff, each teacher will contribute one (1) day of earned sick leave to replenish the bank. The Sick Bank is to be administered by the Sick Bank Committee which shall be composed of two (2) Association Representatives appointed by the Association Executive Board of Directors. The Master Sick Bank shall be approved/denied by the committee and shall be by a majority vote of the entire committee. The Sick Bank shall use as guidelines those reasons set forth under FMLA and excusable leaves of absence as stated in this Article.

- The procedure for the administration of the Master Sick Bank shall be in accordance with the following provisions and shall be for the use and benefit of all eligible bargaining unit employees who apply and whose applications are subsequently approved for sick day(s) benefits. Any bargaining unit member shall be eligible to make application to the Sick Bank Committee for sick days of benefit after the member has been employed and worked a minimum of six months and the member must be incapacitated for at least five (5) consecutive working days for a FMLA recognized medical reason and must have exhausted all days available in the employee's personal sick leave accumulation before drawing on the Master Sick Bank. The Family and Medical Leave Act (FMLA) of 1993 required covered employers to provide eligible employees with up to twelve (12) weeks of unpaid leave (if no accumulated paid time is available) for job-protected leave annually.
- If a bargaining unit member is incapacitated for at least ten (10) working days (not necessarily consecutive working days) in any one instructional year and there is a further incapacitation which appears to be a recurrence of the same illness or accident and the same licensed physician who originally handled the case verifies by written statement that such incapacitation is a recurrence, then the five (5) consecutive day eligibility requirement can be waived in such instance at the discretion of the Sick Bank Committee. In the instance of a recurrence of an illness, the employee may change physicians. Examples include: Chemotherapy, Physical Therapy, Kidney Dialysis, and any other medically verified need for intermittent leave that may not fit the criteria of five (5) days consecutive absence.

No more than twenty (20) sick days shall be approved for deduction from the Master Sick Bank per each written request. No more than thirty (30) days may be withdrawn by a bargaining unit member from the Master Sick Bank annually. An affected bargaining unit member who makes a second application for sick bank time shall satisfy all of the aforementioned criteria required above.

#### 5. Application to the Master Sick Bank

Each application (as listed in Section 6 below) for sick days of benefit from the Master Sick Bank must be submitted on the Sick Bank Application Form to the Sick Bank Committee after the affected bargaining unit member's personal sick leave/paid accumulated personal leave has been exhausted.

Each application will be approved or rejected on the basis of each individual bargaining unit member's ability to meet the FMLA recognized medical circumstances. All applications must be accompanied by supporting statements from a licensed physician. Upon approval or denial of each application the Sick Bank Committee shall provide written response to the affected bargaining unit member. The Committee shall return all supporting medical statements to the bargaining unit member with the written decision to approve or reject the application. The Sick Bank Committee also recognizes the legal

requirement to protect the privacy of the affected bargaining unit members and shall not discuss, outside of the committee the medical reasons for the request other than to give formal notice of approval of withdrawal to the Superintendent of the White Pigeon Community School District.

#### 6. Sick Bank Committee

The Sick Bank Committee shall be composed of two (2) Association Representatives appointed by the Association Executive Board of Directors. The Master Sick Bank shall be approved/denied by the committee, shall be by a majority vote of the entire committee.

#### 7. Administration

The Master Sick Bank shall be administered by the Sick Bank Committee in accordance with the following provisions:

In the event that a bargaining unit member is eligible for LTD insurance compensation that affected bargaining unit employee shall not be allowed more than the number of days needed to satisfy the waiting period for LTD benefits from the Master Sick Bank in any school year.

- The formal notice of approval authorizing an award of sick days from the Master Sick Bank to a bargaining unit employee will be sent to the Superintendent within five (5) days of authorization for deduction from the Master Sick Bank. The Board of Education may require that the affected bargaining unit member provide supporting statements from a licensed physician. All approvals/denials shall be signed by no less than three members of the Sick Bank Committee and President of the White Pigeon Education Association.
- The records of the Master Sick Bank shall be audited annually at the end of each of each school year by a committee composed of three MEA members by appointment of the White Pigeon Education Association Executive Board. A copy of the audit report shall be furnished to the Executive Board of the Association and to the Master Sick Bank Committee.

#### 8. MASTER SICK BANK APPLICATION

Iam making a formal request for
withdrawal from the Master Sick Bank as my personal accumulated sick leave has
been depleted. I have been provided with a copy of the Master Sick Bank Guidelines
and Administrative Policy. My signature attests that I understand the requirements
for application to this sick bank. I have attached the necessary medical verification to

this written request.

9. When regularly scheduled school days are canceled by the Administration, those teachers who at that time, are on approved leave of any kind of two (2) days or less duration will not have those days of absence charged against credited leave time.

A teacher may use such reasonable physical force as is necessary on the person of any pupil to protect him/herself from attack, or to prevent injury to another student.
- B. Since the teacher's authority and effectiveness in the classroom is undermined when students discover that there is insufficient administrative backing and support of the teachers, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. # ARTICLE XIII NEGOTIATION PROCEDURES

A. It is contemplated that matters not specifically covered by this Agreement, but of common concern to the parties, shall be subject to professional negotiations between them from time to time during the period of this Agreement, upon request of either party, to the other. The parties undertake to cooperate in arranging meetings, selection of representatives for such discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters.

- B. Prior to the expiration of this Agreement or any part thereof, the parties will begin to negotiate terms and conditions of employment for teachers under the forthcoming Agreement.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the Mediation Machinery of the Michigan Employment Relations Commission or take other lawful measures it may deem appropriate.
- D. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. The Association accordingly agrees that neither it nor its members will engage in or assist in any strike, picketing, slowdown, boycott, or other interruption of activities in the school system, against the White Pigeon Community Schools, during the period of this agreement; and the Board agrees that, for the period of this agreement, it will not engage in any lockout as defined by Section 1 of the Public Employment Relations Act.

### ARTICLE XIV GRIEVANCE PROCEDURE

- A. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:
  - 1. The termination of employment or failure to re-employ any teacher
  - 2. Any Article or Section of the Agreement that has, by its wording, been excluded from the grievance procedure:
  - 3. Any matter set forth in this Agreement which is covered by a State or Federal Law;
  - 4. The evaluation, layoff/recall, and assignment

#### B. Oral Level

A teacher, group of teachers, or the Association alleging a violation of the express provisions of this contract shall within seven (7) days of its alleged occurrence orally discuss the grievance with the building principal in an attempt to resolve same.

If no resolution is obtained within three (3) days of the discussion, the teacher shall reduce the grievance to writing and proceed within seven (7) days of said discussion to Written Level 1.

#### C. Written Level 1

A copy of the written grievance shall be filed with the building principal. Within five (5) days of receipt of the grievance, the principal or his designated representative will make his written disposition and give a copy to the grievant(s) or their Association representative. If the Principal's disposition is not satisfactory to the grievant(s), the grievant(s) shall within seven (7) days appeal the grievance in writing to the Superintendent.

#### Written Level 2

The Superintendent shall have ten (10) days from date of receipt to meet with the grievant(s) or the Association and approve or disapprove it and transmit his written disposition to the grievant(s).

#### D. <u>Level Three Grievance Procedure</u>

If the grievance is not settled at the preceding step, it may be submitted to binding arbitration. Within ten (10) working days of the receipt of the Superintendent's answer, the party choosing to arbitrate must give written notice to the other party. Following this written notice, the parties will, within ten (10) working days, select an arbitrator according to the following procedure:

- 1. Attempt to select an arbitrator by mutual consent.
- 2. If the parties cannot agree upon an arbitrator, then the arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings.
- 3. Neither party shall be permitted to assert in such arbitration hearing any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of the Agreement, nor shall the arbitrator have power to interpret state or federal law. Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement cover claims arising out of events earlier than thirty (30) days prior to the grievance filing date. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.
- E. The fees and expenses of the arbitrator shall be shared equally by the Association and the Board.
- F. Should a grievant fail to institute a grievance with the time limits specified, the grievance will not be processed. Should a grievance fail to appeal a decision within the limits specified, or leave the employ of the Board, (except a claim involving a remedy directly benefiting the grievance regardless of his employment), all further proceedings on a previously instituted grievance shall be barred.

- G. In the event a grievance directly involves the Association as a whole or teachers in more than one building, the grievance may be initiated at Written Level 2 provided it is filed with the Superintendent within seven (7) days of its alleged occurrence.
- H. The term "day or days" used in this article shall refer to Monday through Friday, excluding scheduled or legal holidays and winter and spring breaks.

### ARTICLE XVII FRINGE BENEFITS

A. Health Insurance

- The district share of annual health insurance premiums shall be the maximum allowed under state law for full family, two person, and single coverage. Teachers shall pay for the remaining share of any health insurance premiums. The employee contribution shall be spread evenly over 26 or 21 pays, and the breakdown of employee costs shall be provided to employees prior to the renewal of insurance plan or no later than July 1 annually.
- Each teacher may enroll in the West Michigan Insurance Pool health insurance plans offered by the district. If year-to-year changes are made to plan options, the parties will meet to discuss which plan options should be offered.
- The employer shall provide a Section 125 plan so that employees may pay insurance premiums with pre-tax dollars.
  - Teachers electing to take cash in lieu of medical insurance will still receive single only Dental/Vision coverage per the requirement of MESSA that all members participate in the plan with no "opt outs" allowed. Cash in lieu would be reduced \$400 per year to cover that expense to the district. Full family cash in lieu would be \$4,400 annually, Two person cash in lieu would be \$3,200 annually, Single cash in lieu would be \$2000 annually.
- Teachers may elect to receive this cash-in-lieu benefit in the form of taxable cash income or an annuity.
- Teachers who elect the cash-in-lieu of benefits option may purchase dental, vision, and life insurance via payroll deduction at their own expense with no district contribution to any premiums.
  - B. The employer shall formally adopt a qualified plan document which complies with Section 125 of the Internal Revenue code. Teachers may use this money for MESSA options upon completion of the appropriate application forms, or a specified amount may be applied through a Salary Reduction Agreement by the bargaining unit member towards MEA-FS Tax Deferred Annuities (TDA), or other non-taxable options provided by annuity companies mutually identified by the Board and Association. All selections may be payroll deducted.
  - C. There shall be no duplication of health coverage in the event more than one member of the same family is employed in this system as a teacher.
  - D. Part-time employees shall receive benefits on a pro-rata basis.
  - E. Insurance plan options shall be listed as an appendix to this contract.
  - F. The above coverages shall go into effect by the first day of the month following the month the teacher becomes eligible. It is expressly understood that in the event spouses are both employees of the District, one such person shall be designated as the insured and be eligible for health, dental, vision, and life insurance and the other shall only be eligible for dental, vision, and life insurance.

G. Benefits shall be prorated for teachers working less than full-time.:

3/4 time 75% of full-time benefit amounts 1/2 time to 3/4 time 50% of full-time benefit amounts Less than 1/2 time 0% of full-time benefit amounts

H. The provision of the above insurances shall be subject to the rules and regulations of the underwriter(s).

# ARTICLE XVIII MISCELLANEOUS PROVISIONS

- A. The District shall provide notice of a telephone number to call in the event a teacher must report a personal absence due to illness. Every effort (if the absence is foreseeable) must be made by the teacher who is calling in to report a personal absence due to illness prior to 6:00 A.M.
- B. If any provisions of the Agreement or any application of the Agreement to any employee shall be found contrary to law, then such provisions or application shall be deemed null and void, but all other provisions or applications shall continue in full force and effect; furthermore, the provisions of such law shall supersede, to the extent of the conflict, the provisions of this Agreement and govern the relations of the parties hereunder.
