

White Pigeon Community Schools

---

Superintendent, Mr. Jon Keyer  
Associate Superintendent, Mrs. Carrie Erlandson

April 28, 2021

Central Elementary School Families,

Central Elementary will move to remote learning starting **Thursday, April 29th**. Our closure is due to two positive students and the large number of staff and students who are impacted by contact tracing. The Branch-Hillsdale- St. Joseph County Health Department has made the recommendation to move to virtual for the safety of students and staff at Central Elementary. We will return to in person learning on **Thursday, May 13th**.

Please note, any students who were previously contacted and requested to quarantine should continue to do so until the quarantine period is over. **All close contacts have been notified by the school.**

A one day food pick up will be available at Central in the bus loop tomorrow, Thursday April 29th. There will be two, seven day food pick up days on Friday, April 30th and Friday, May 7th. More information will follow with the specifics concerning food pick up will be delivered in a Bright Arrow message.

Please contact your child's teacher if you have any questions regarding instructional issues.

If you have any questions or concerns, please contact Carrie Erlandson [cerlandson@wpcschools.org](mailto:cerlandson@wpcschools.org) or Jon Keyer [jkeyer@wpcschools.org](mailto:jkeyer@wpcschools.org) .

Thank you,

Jon Keyer  
Superintendent

Carrie Erlandson  
Associate Superintendent
