October 13, 2020

White Pigeon Jr/Sr High School Families,

The health and safety of our students and staff is our first priority. It has come to our attention that two individuals have tested positive for COVID-19 in the Jr/Sr High School. The individuals were last in the building on October 5th.

In working with our health department it has been decided, **School for the JR/SR High School will move to virtual learning starting tomorrow, October 14, 2020 and will not return to in person learning until October 26, 2020.**

Central Elementary will not be impacted by this decision, and will continue in person learning.

All athletic contests involving White Pigeon High School and Middle School are cancelled for the remainder of the week. We will begin playing athletic contests again on October 19, 2020. The health department gave White Pigeon the green light to play athletics, the decision to cancel was made by our opponents.

If you have any questions or concerns, please contact Carrie Erlandson cerlandson@wpcschoools.org or Jon Keyer jkeyer@wpcschoools.org .

Thank you,

Jon Keyer
Superintendent
