

White Pigeon Community Schools

Superintendent, Mr. Jon Keyer
Associate Superintendent, Mrs. Carrie Erlandson

April 26, 2021

White Pigeon Community Schools Family,

The health and safety of our students and staff is our first priority. It has come to our attention that two students tested positive for COVID-19 in the High School. These individuals were last in the building on April 14, 2021. There was no contact tracing as these students were already quarantined.

We have worked with our local health department to identify close contacts and have understood there were no close contacts. Additionally, we are continuing to execute proper cleaning procedures.

We will continue to follow the health department guidance. School will continue as usual for all staff and students not identified as a close contact. As a reminder, if your child does not feel well, please keep them home.

If you have any questions or concerns, please contact Todd Reynolds treynolds@wpcschoools.org; Carrie Erlandson cerlandson@wpcschoools.org or Jon Keyer jkeyer@wpcschoools.org .

Thank you,

Jon Keyer
Superintendent

Carrie Erlandson
Associate Superintendent
