

Yes, I Can!

Dear Parents,

“Yes, I Can” that’s what we want your child to be saying at the end of this summer’s academic program.

Your child is invited to attend the White Pigeon Community School’s summer academic program. This program is for students in grades K-5 and 9-12 and will focus on increasing student achievement. Beginning Monday, June 10, your child will have the opportunity to work on academic skills that will help him/her succeed in the rest of their school career. The class sizes will be limited to fourteen students per grade level.

The program will run from 8:00 until 12:00 Monday thru Friday **from June 10 until June 28, 2019. All classes will be held at Central Elementary.**

There is no fee for your child to participate in this program, but we do need your support for your child to have a great experience. **Attendance is mandatory.** If your child has two or more unexcused absences, he or she will be dropped from the program and a student from the waiting list will be asked to attend.

Please sign and return the form at the bottom of this page to your child’s teacher as soon as possible. If you have any questions, please call Carrie Erlandson, Associate Superintendent at 483-7107. Once we have your response we will notify you about the specifics of the program.
