School Annual Education Report (AER) Cover Letter

February 24, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Central Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Shelly McBride for assistance.

The AER is available for you to review electronically by visiting the following web site www.wpcschoools.org or you may review a copy in the main office at your child’s school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or “Beating the Odds” by outperforming the school’s predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school has not been given one of these labels.

Central Elementary has developed a second computer lab that has allowed us to utilize more computer time for students. We believe that testing online has been a real challenge for our students because we do not assess our students on the computer. Now that we have additional lab space, we are able to incorporate online assessing more with our students. We have also had intensive training in reading routines for grades K-2nd and intensive writing instruction professional development for all grades K-5th.

“Every Student—Every Day”

This year we have started a new reading series that is very rigorous and is aligned to State Standards. We believe that our content is good, but feel that we needed to work on our actual instruction in the classroom ensuring that our teachers are instructing with best practice techniques. We believe that by ensuring that research based instructional techniques are used in every classroom in reading, writing and math, we will see an increase in our proficiency levels.

State law requires that we also report additional information:

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

All students that reside in White Pigeon are assigned to attend the Elementary Building. In addition, some schools of choice students attend our school from throughout the county.

2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

The School Improvement Plan for Central Elementary is updated every spring. The content areas of Reading, Writing, Science, Social Studies and Mathematics are addressed. Measurable objectives for improvement have been identified, as well as strategies and action steps for implementation with the vision of increasing student achievement throughout our building. In addition to the core content areas, we have established behavioral goals aligned with our building’s MTSS initiative. The full school improvement plan is posted at www.wpcschoools.org.

3. **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

Central Elementary does not have a specialized school.

4. **IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL**

Central Elementary curriculum that is used and implemented is Curriculum Crafter. This was developed and is maintained by the Kent County ISD. Curriculum Crafter is completely aligned with Common Core. The curriculum is available to parents upon parent request.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Central Elementary uses AIMSweb and StarMath locally as achievement tests. The individual results of these tests are given to parents after each benchmark testing window.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

We had 87.5% of our students represented by parents at parent teacher conferences in the fall.

While we are proud of all of our achievements at Central Elementary; our staff continues to work to improve student success every day. Thank you for your continued support of our students.
