

# White Pigeon Community Schools

*"Every Student—Every Day"*

---

May 8, 2024

Dear Voters,

On behalf of White Pigeon Community Schools we want to express our sincere gratitude for your support and participation in the recent bond vote. While the outcome may not have been what we hoped for, your engagement and commitment to our community are truly appreciated.

Your support means so much, especially for our students. Your dedication to providing them with the resources they need for a quality education is invaluable. We will continue to work tirelessly to ensure that our students have the best possible learning environment, despite the challenges we face.

We look forward to continuing to serve you and our students as we plan our next steps to ensure White Pigeon Community Schools continues to move forward in a positive direction.

Sincerely,

Shelly McBride

Superintendent
